 Depending on the application,

you can also lock or unlock the application on the Detailed Information screen.

Configuring Smart Hub with the Settings Menu

The Settings menu gives you access to the Account Manager, Service Manager, Reset, and About Smart Hub functions. To use these functions, you must be logged into your Samsung Smart Hub account.

To access the Settings menu, and then select a menu item, follow these steps:

1. Open the Tools menu using your remote.
 2. Select Settings. The Settings window appears.
 3. Select a menu item using your remote.
- Account Manager

The Account Manager menu contains functions that let you register your

service provider accounts, and delete or deactivate your Samsung account.

Link to other accounts: If you have existing accounts with any of the providers listed by the **Link to other accounts** function, you can associate the provider account and the provider account password with your Samsung account. If you associate the account, you will be able to log onto the account through Smart Hub easily,

without entering your account name or password.

 Before you register an account you have with a provider, you must install the provider's application in Smart Hub.

To use the Link to other accounts function, follow these steps:

- 1. In the Account Manager menu, select Link to other accounts. The Link to other accounts window appears.**

2. Select an application you want to associate with your Samsung account.
 3. In the pop-up that appears, select Register.
 4. In the Link to other accounts entry screen, enter your site ID and password using your remote. When done, select OK.
-  This is the ID and password you normally use to access your

account on this application.

5. If you have entered the ID and password correctly, the **Registered successfully.** message appears.
6. If want to add another service application, repeat Steps 2 through 4 to associate another service application.
7. When done, select **OK.**

Remove from TV Account List: Cancels

all the currently registered Service Accounts that appear on the Register Service Account screen.

Deactivate Account: Deactivates your Samsung Account and deletes it and all your account settings entirely from Smart Hub.

- **Service Manager**

Auto Ticker: You can set Auto Ticker to come on when the TV powers.

-  The Ticker application provides useful News, Weather, and Stock Market information. Before you can set *Auto Ticker* on, you must download the Ticker application into Smart Hub.
-  Depending on your country, the Ticker application may have a different service or not be supported.

Push Notification Settings: When on, **Push Notification** displays a notification

message when an event takes place in an application installed on Smart Hub. The TV will display the notification message and allow you to view details of the event even while you are viewing TV.

- **Reset**

The **Reset** function initializes all downloaded applications, erases all user accounts and settings from the TV, and resets all Smart Hub settings to the

factory default settings. It then restarts Smart Hub as if it were starting for the first time.

Your account, however, remains on the Smart Hub server. To log into your account, enter your ID and password on the Login screen.

To use the Reset function, follow these steps:

1. In the Settings menu, select Reset.
The Reset screen appears.

2. Enter your security PIN using your remote.

-  The default password set is “0-0-0-0.”
-  If you forget the PIN code, press the remote control buttons in the following sequence in Standby mode: MUTE  → 8 → 2 → 4 →  (Power on). This resets the PIN to “0-0-0-0”

3. After a few moments, Smart Hub

automatically resets. The screen may go black, then **Smart Hub** reappears. In a few moments, it starts the reinitialization procedure.

4. To complete the re-initialization, go to Step 2 in "To start Smart Hub for the first time, follow these steps:" section of this manual.

- **About Smart Hub**
